

Happy New Year 2023 News

May 2023 be a year of many blessing for each of us!!

As we say good-bye to the old and welcome to the new, we have some news to share with you.

First, we would like to thank the sisters for their participation in the discernment process of selecting our new Regional Leadership Team. We have "heard" their voice in their affirming the work of the Moving Forward Committee and are happy to announce that our new Leadership Team for the California Region is: Teresa Groth, Pascazia Kinkuhaire and Helen Vigil.

Teresa, Helen and Pascazia have given their "YES" to this ministry of service to the Region, and our CLT have ratified our decision.

So we officially congratulate and thank Helen, Pascazia and Teresa for their generosity.

To celebrate this change in our Regional Leadership Team, we plan to have a Mass of Installation, followed by a festive lunch on SUNDAY, JANUARY 8, 2023 at 11:00 am in Marian Residence. If you cannot make it, please join us in prayer.

From the California Region
