

On 23<sup>rd</sup> December, we were blessed with another vocation in Uganda. We received Vian Tumuhimbise into postulancy at Sylvia community in Kagongo.

Vian has been a teacher at Coloma primary school for the last four years. As usual, our entrance is scheduled for September, but Vian requested to be received in December so as to end the academic year with her pupils and for proper handover.

We are happy that Vian kept her word and joined Barbra for their formation journey together.

We thank God for the gift of vocations in our congregation and continue to pray to the Lord of the harvest to send more labourers into his harvest.

We also thank God, that we have a new Postulancy Formator Sr. Eleonore to accompany and direct these young ladies.
