

Celebration of Sister Marie Philippe's 100th birthday

December 30, 2023

On Saturday December 30, we were delighted to celebrate the birthday of our 2nd centenarian, who joined Maggy who is now over 101.

We began our meeting with a time of prayer of thanksgiving for the life of Marie Philippe.

The gospel of the day, an invitation to be a contemplative presence, was at the center of our prayer. The presence of Anne, the elderly woman, in the temple to welcome Jesus, Mary and Joseph.

Laetitia admired the radiant, wrinkle-free face of Marie Philippe. Then she added: "May the enthusiasm for our charism know no wrinkles".

We continued the meeting with a festive snack, a time for exchanging and sharing news and wishes for the New Year. It was a joyful and convivial gathering. Below are a few photos taken at the party.

May 2024 be a year of grace for us all.
