

IRISH REGION GREETINGS

Greetings from the Irish Region. At our last Region Meeting we were blessed with the presence of Marie Claire, Pat Pearson and Monica Smyth. After an inspiring prayer led by Cathleen Calvey, we had a sharing on the collective responses from the Congregation in relation to the first stage of the Chapter preparation. This was done with short inputs from Marie Claire, Helen and Joan. Maureen O'Connor also shared some points on Care of Creation (theme #5)

We then had an introduction to the second stage of the Chapter Preparation in relation to the five identified themes. Following sharing in two groups, there was an opportunity to highlight key points with the entire group. Attention was drawn to the three forthcoming Zoom meetings, with particular reference to guidelines/questions for the presentation by the Leadership Team, a copy of which was given to each one.

As always when the region meets, there was a sharing of Congregational/Regional news and of forthcoming events of interest.

We were delighted to have this moment to formally welcome Monica to the Region - with a shared cake and a little gift, accompanied by our best attempt at a Ghanaian song and dance!
