

## Some Insights of the Solemnity of the Body and Blood of Christ's Day!

The Eucharist is the sacrament of love: it signifies love, it produces love. The Eucharist is the consummation of the whole spiritual life. -**St Thomas Aquinas**

Children at Coloma, together put their skills and talents at work in honour and reverence of the Solemnity of Body and Blood of Christ bringing out the meaning of the second reading taken from **1 Cor. 10: 1-17**

***The cup of blessing that we bless,  
is it not a participation in the blood of Christ?***

***The bread that we break,***

***is it not a participation in the body of Christ?***

***Because the loaf of bread is one,***

***we, though many, are one body,***

***for we all partake of the one loaf.***

Different colours of flowers were put together to form the Chalice, the Cross and the Host to show our unity and how we enrich each other as a family at Coloma. Coloma is composed of people of all walks, ages, status, races name it, but living as a family.

The procession of the Blessed Sacrament from school to the convent. Even Smart our security dog could not miss joining us in this spiritual exercise! *All creatures of the Lord, O bless the Lord!*

It was a moment of grace as some children were throwing flowers at the Monstrance carried by our Chaplain Fr. Mukasa. The school choir animated us angelically as we marched slowly and prayerfully towards the convent.

We are blessed to have the Monstrance from Belgium that our Founder touched and used himself.

It is a treasured Artifact for us. Our heartfelt appreciations go to Sr. Agnes Charles who chose Coloma Primary school to have such a precious gift.

The little angels from Primary Two Class joined the celestial angels in participating in the liturgical dance.

May this feast of the Body and blood of Christ help us to reflect on the power of communion with Jesus.

Imagine a world where we all lived in deep communion with Jesus, expressing His love as He taught us!

Let us be ready to experience this transformative unity.

Peace and love from Coloma- Uganda
