

## Annual General Meeting of the Charity “Institut des Dames de Marie” in Belgium

On June 18<sup>th</sup> 2022, we held our annual general meeting as an ASBL as required by the Belgian law on Non-Profit Associations (ASBL).

As usual, the legal part consisted in presenting and approving the annual accounts for 2021 and the budget for 2022.

It was also an opportunity to give thanks to the Lord and to celebrate with our sisters who have had their jubilees since 2020. Since the beginning of the covid 19 pandemic and all the sanitary measures that followed, it is only now that we could organize a moment of celebration as we wished. There were eight of them: Maggy and Marie Antoinette who were celebrating 75 years, Laetitia 70 years, Michelle, Marie Thérèse, Doecita and Agnès 60 years and Marie Claire 25 years.

We were in communion with our dear Nadine, Yvonne and Marie José who would have celebrated respectively 75 years, 70 years and 60 years but whom the Lord preferred to call back to him.

We were blessed to have a Eucharistic celebration anticipating the feast of the Blessed Sacrament, which was a happy coincidence. What other way could be more appropriate to give thanks to God for the generous gift of our sisters to Jesus Christ, his Church and all our brothers and sisters!

It was a time of joy which was ended with a festive meal.
