

St. Paul the Apostle School at 90

On October 6th, 2025, the DMJ Community celebrated the 90th Anniversary of the foundation of St. Paul the Apostle School. In 1935, Sisters Mary Carmel, Mary Aquinas, Mary Patricia and Mary Kevin opened the school with 90 students. The Mass was truly a joyous celebration with 5 DMJs - all former teachers, current faculty, school choir and

full student body of over 500, participating. The celebrants were Paulist Fathers, Gil Martinez, Pastor, and Mark Villano.

To capture the spirit of St. Paul the Apostle School, a quote from the opening days expresses what is still alive at the school:

“... a solid foundation was acquired here in a friendly, pleasant and enjoyable atmosphere. ... these Sisters instilled into their young students a love for learning and the culture it brings, together with a devotion and a loyalty to their school which is still evident among the students.” This spirit began in the heart of our Founder and continues wherever our Sisters are.
