

Day 10: 23rd November

We started our day with faith sharing on the day's Gospel (Lk 20:27-40) The DMJ word was Constitutions 42 and 45. This was followed by discussing and approving the work of the writers committee Monica, Theresa, Leonidas and Annamary. After discussion and correction the document was ready to go out as our Chapter Acts. These Acts touch the areas of *structures, formation, stewardship, ministry and communication*.

We then went into groups to talk about the hows of **the taking home of the Chapter**. It will be shared in countries as soon as possible.

In the afternoon we approved the minutes and then in a very enriching plenary session, we shared our experiences of this our last Chapter in Africa. It was then followed by a very meaningful closing ritual animated by the CLT.

The Chapter was closed by the Provincial Superior then this followed by a thanksgiving Mass at 5:30pm

We concluded our Chapter with a celebration of each other. Tomorrow, we take to the road that will lead us to our different destinations. Thanking you all for your prayerful support during last two weeks.
