

CALIFORNIA REGION MASS OF REMEMBRANCE – November 11, 2021

The Sisters and some of the Associates gathered together in Marian Chapel to remember our deceased Sisters and Associates 'on whose shoulders we stand.' The Mass was celebrated by Msgr. Peter O'Reilly. We gave thanks for what has been and what is yet to unfold. As we remembered our Sisters and Associates who have gone before us, marked with the sign of God's welcoming love, we acknowledged each one and recalled their presence among us. We prayed that we may carry our story and mission forward with great fidelity, great love and compassion.

As their names were read out, a rose was put in a vase to honor them.

Into God's hands, we humbly entrusted our Sisters and friends knowing that God will embrace them with tender love in the fullness of peace and joy forever.

After the Mass we continued our celebration by gathering together at Marian Residence for conversation and delicious food.
