The Lord has done great things for us, Holy is His name!

It is with tremendous joy that we thank the Almighty God who has been with us during our education journey which was sealed with our graduation on 18th October, 2023 at Nkozi, Uganda Martyrs' University main campus. We the sisters Martina Lobur, Theresa Bateta, Theresa Intisful and Diana Kyaringabira were conferred with the Masters' degree in Education, Bachelor's degree in Counselling Psychology,

Diploma in Counselling Psychology respectively and Bachelor's degree in Education Secondary. We greatly thank our sisters Mona Maher, Eileen Maher and Rosette Kyogabirwe who accompanied and supported us on that special day.

We are grateful for the opportunity accorded to us by the congregation to go for further studies so that we are able to better serve God's people in our ministries today as God's instruments of mercy and compassion. We thank each and every one of our sisters for all support in different aspects that is to say your prayers and words of encouragement have been of great help during out time of study, we surely cannot thank you enough but all we ask of the Lord is to richly bless you for us.

It has been a long journey with all the obstacles encountered particularly COVID 19 disruptions that pushed us to online studies and extra years for our courses of study but God has seen us through and has brought us this far. We appreciate our sisters in the older regions who offer us support through prayers and whose lives are such a great inspiration in our religious calling, may the Lord bless you all.
